Extra Hours (QSWC Camps only) offered for an additional fee. \$4.00/timeslot
7:00 to 8:00a.m.
5:00-6:00p.m.

Sign in/out procedures

All campers must be signed in upon arrival, and signed out upon departure from camp by their parent or guardian. A child may only leave the premises without a parent or guardian if the appropriate section of the waiver was filled out with additional pick up options. Government issued ID may be checked at sign out time.

Trips/Guest Speakers

All Camps will take a trip via walking or City bus. They may also have a guest speaker come to their camp locations instead of a local trip. Please review the weekly newsletters provided on Monday's for more information.

Allergy aware

We cannot ensure an allergen free environment. We are, however AWARE when we are notified that a child in camp has an allergy. During these weeks, we encourage parents to pack allergen-free snacks and lunches for the safety of all campers and/or shared spaces as safely as possible to try and eliminate cross contamination.

Positive space

To ensure that all campers have the opportunity to play and grow in a Positive Space, we have a zero tolerance-based system for negative camper conduct. It is our intent that this system will allow our campers to feel comfortable and secure during their time at Camp, while reinforcing respect for themselves and others.

Medication

If campers require medication they may leave their medication with our Day Camp Staff. Parents/caregivers are asked to provide Staff with special instruction prior to leaving the camp site. Staff will store medication in a safe location and remind campers when it is time to be taken; however, staff may not administer medication to campers (with the exception of epinephrine).

Ontario Child and Family Services Act

City of Belleville day camp staff and volunteers are legally obliged to observe the terms of the Ontario Child and Family Services Act and must report a child in need of protection.

Recreation Fee Assistance

If you live in Belleville, you can apply for recreation fee assistance. We have subsidies available for 25% to 75% off the cost of the program based on income. The subsidy expires on June 30 of each year. To apply, call 613-966-4632.

Important Camp Information

Contagious condition

If you suspect your child may have any contagious conditions such as: COVID-19, head lice, pink eye, severe poison oak, etc. we ask that you do not send them to camp. Please call our customer service desk at 613-966-4632 to report if your child will be absent from camp for a medical reason. Please inform their leader in order to prevent infecting any other campers. We encourage you to remind your child not to share any personal items with other campers.

Visitation policy

Any person wishing to visit a City of Belleville Day Camp Site outside of regular drop off and pick-up hours MUST notify the City of Belleville Summer Camp Coordinator ahead of the visitation by contacting the City of Belleville's Community Services Department at 613-966-4632. Visitors are asked to keep their visits to a 15 minute maximum stay to help reduce disruption to the Children's program time.

For individuals who wish to extend their visit beyond 15-minutes by volunteering at one of our programs, please note we will require all volunteers over the age of 18, to complete an application package, orientation and training session and submit a current (no older than 6 months) Criminal Reference Check including the vulnerable sector.

Camp cancellations

Programs that do not meet the minimum participant registration numbers may have to be cancelled. If your camp program is cancelled, we will call the contact number listed on your registration form to notify you of the cancellations. You will have the option of transferring your registration to another week or program; keep a credit on your account for use at another time or a full refund (if requested). We hope you can assist us in preventing cancellations by encouraging your friends, family, and neighbors to come out and join our summer day camp programs!

Sunscreen

It is extremely important that campers come to camp wearing sunscreen with an extra bottle in their bag. In order to prevent sunburns, please encourage your child to continuously re-apply throughout each day. Campers are responsible for their own sunscreen application; however leaders will assist young campers who have difficulty applying their sunscreen appropriately as long as permission is given on the registration questionnaire.

Valuables

We ask that all valuables such as toys, electronics and sentimental items which could cause distraction or conflict amongst campers be left at home. We are not responsible for lost, stolen, or damaged belongings.

Lost and found

We will have a designated area at each camp location that will contain any lost and found items. Please check this on a regular basis to ensure everything is returned to its owner. To help make this process easier, please label your child's clothing clearly.

We share the air

Out of respect for those who work and use the recreational facilities, please avoid the use of perfume, cologne, scented hairspray and other scented products. Your help in keeping our environment safe is appreciated.

Certified Youth Camp

Location: Pro Shop Meeting Room,
Quinte Sports & Wellness Centre

\$190/week

This one-week program is designed for youth ages 11-13 to enjoy a camp experience while also receiving important training & certifications: Stay Safe, Babysitting Course, and **Basic First Aid**.

Campers will have the opportunity to spend one day practicing what they learned leading games & activities with the younger campers. When you turn 14, try our Youth Leadership Development Program (see page 8).

August 6-9 (Short Week)

Youth Leadership Development Camp

Location: Pro Shop Meeting Room,
Quinte Sports & Wellness Centre
\$190/week

This program has a lot to offer today's youth ages 14-17.

Youth participate in 4 days of workshops that focus on:

- Building & enhancing self-esteem, confidence, leadership and initiative skills
- **Emergency First Aid & CPR 'B'** certification course
- Resume, application writing, and interview practice
- Program planning for children's camp activities.

Once the 4 days of workshops are completed, Youth will then practice their newly learned skills at a real camp placement experience. Students will select their top 3 choices for their placements and will be notified before the 4th workshop day of the date(s) and location(s) for these placements. During their placement they may receive their full 40 hours of community service, if they complete all placement hours.

Participants receive a

- T-shirt

Upon successful completion of the program they will receive

- Evaluation
- Youth Leadership Development Certificate
- Recognition of their camp placement experience for their Community Service hours.

July 2-5 (Short Week)
